RETROIT

GIGA-Line®

The logo for 'DETROIT' is displayed in a bold, black, sans-serif font. The letter 'D' is significantly larger than the other letters. The letter 'O' is replaced by a stylized gear icon with a central circle and radiating lines, symbolizing industry and machinery. The background of the entire page is a grayscale photograph of an industrial interior, showing a complex network of metal beams, pipes, and large gears, creating a sense of depth and scale.

DETROIT

Benannt nach der im Rust Belt gelegenen Industriestadt Detroit, von der ein Strahlen ausging, das ganz Amerika leuchten ließ, lässt auch dieser Eyecatcher Wände und Böden im angesagten Industrial Look erstrahlen. In den Farbnuancen Nickel White, Copper Brown, Steel Grey und Iron Black werden die angesagten Metallic-Farbtöne neu in Szene gesetzt. Das farbliche Highlight der Serie, Copper Brown, beweist einmal mehr: Kupfer ist das neue Gold. Speziell in Kombination mit kupferfarbenen Pendelleuchten, Indoor-Pflanzen und Vasen in Betonoptik sorgen diese XXL-Fliesen für Glamour und einen Hauch von Luxus in den eigenen vier Wänden.

This gunmetal eyecatcher, named after the industrial city of Detroit, allows walls and floors to shine as bright as the most valuable metals. The city's economic wealth radiated so brightly that its success shined forth over the entire country. In the intriguing colour shades Nickel White, Copper Brown, Steel Grey and Iron Black these popular kinds of metals attract admiring attention. The visual highlight of the series, Copper Brown, once again proves: Copper is the new gold. Especially in combination with pending lights in shining metal, indoor plants and concrete vases, these XXL-tiles ensure both glamour and a touch of luxury within your own four walls.

The logo for 'GIGA-Line' is located in the bottom right corner. It features the brand name in a clean, white, sans-serif font. The 'G' is the largest character, followed by 'IGA-Line'. A registered trademark symbol (®) is positioned to the upper right of the 'e'. The background behind the text is a dark, textured brown with faint, overlapping images of gears and mechanical parts, consistent with the industrial theme of the advertisement.
